

Everyone was a WINNER at the recent EMDRIA Conference. The EMDRIA Conference committee and staff deserve recognition for another great success! The workshops were informative, and we were all inspired by Dr. Francine Shapiro's presence and plenary. There was great synergy among the attendees and it provided an opportunity to see old friends and meet new ones.

The EMDR Research Foundation was also a WINNER. The Foundation's fundraising efforts were a huge success, raising over \$20,000. There was also a genuine interest from our constituents about what we are doing and how they can help. Our exhibit booth was a "buzz" with inquiries to buy raffle tickets, hear about volunteer opportunities or learn more about becoming a charter member of our newly launched program, the "[Visionary Alliance](#)".

We are grateful to the following conference vendors who generously donated raffle prizes:
*HeartMath * Inner Courage * Neurotek Corporation * DocuTrac, Inc * Mentor Books *
Trauma Institute & Child Trauma Institute * Springer Publishing*

Congratulations to all of the winners, and a great big thank you to all who donated prizes!

**An even bigger thank you to all of you who donated to support the EMDR Research Foundation.
When you donate to the Foundation, it gives back to you.**

YOU could be the next big winner if you become a "[Charter Member](#)" of the [Visionary Alliance](#). Join by December 31st and become eligible for the next round of prizes, including a free week at a vacation rental and more!

What is the [Visionary Alliance](#)? Visit the EMDR Research Foundation website at www.emdrresearchfoundation.org, or stay tuned for our next email.

Research is the life blood of EMDR. Help us support our mission.

Invest in the well-being of people everywhere: Give to the EMDR Research Foundation now.

It is all up to you...you decide your role in this important endeavor!
