

A big “thank you” to all of the members of the “Visionary Alliance!” How appreciative we are to all of you who have become part of this important initiative. This monthly automatic donation program began in 2011 as a mechanism to provide sustaining funds for the support of research in EMDR. The steady stream of funding has allowed us to plan for the future and to extend our fundraising beyond the EMDR community.

Thank you to each and every one of our donors in 2012! We are so grateful for all of your continued support as we begin this New Year. Your commitment to EMDR and to EMDR research will allow for increased knowledge in the understanding and application of EMDR.

The following new Visionary Alliance Members or Visionary Alliance members who increased their monthly donation by at least \$5 are recipients of prizes donated by generous conference vendors and members of the EMDR Community. Thanks to all of you who support EMDR Research through your generosity. We will all be winners as more quality research is conducted and published.

Evelyn Murray of Los Angeles

Celtic Art Therapy Plate from Ravensdaughter Designs

New Grant Cycle Opening

The EMDR Research Foundation is accepting applications for a Research Grant Award (up to \$10,000), *with revised eligibility criteria* to broaden access and participation. In 2013, there will be two funding cycles and the applications are **due February 1 and July 1**. The recipients of the award will be notified of their selection by April 15 and September 15, respectively.

You can access the Research Grant Award Request for Proposal information on our website by clicking here: [Research Grant RFP](#).

For those interested in applying for a *Doctoral Dissertation Award (up to \$5000)*, you can access the Request for Proposal information on our website by clicking here: [Dissertation Research Grant RFP](#).

Research consultation awards of up to \$1,000 are available for clinicians, post-doctoral students, or university faculty interested in conducting research on EMDR and disseminating findings to the practice and scientific communities. The purpose of this award is to facilitate access to required expertise that would advance the development of an EMDR research project, to support the completion of an EMDR research project underway, or the writing of an article on EMDR for publication in a professional journal. For more information click [here](#).

Coming Soon!!!

We are excited to announce our new E-News Letter that we will be launching in the next month – so keep a look out in your in-box.

For more information and to join, please visit www.emdrresearchfoundation.org/visionaryalliance. One of the Foundation's 2013 fundraising campaign goals is to increase the number of Visionary Alliance members to 200.

Invest in the well-being of people everywhere: Give to the EMDR Research Foundation [now](#).

It is all up to you...you decide your role in this important endeavor!
