Top FAQs for Treatmant.com Online Pharmacy

1. What is Treatmant.com Online Pharmacy?

Treatmant.com is a trusted digital pharmacy that lets you order prescription and over-the-counter medicines safely, quickly, and discreetly from home.

2. Is Treatmant.com a licensed and verified pharmacy?

Yes. We collaborate only with verified pharmacies and certified healthcare professionals, ensuring every product is 100% genuine and approved.

3. Do I need a prescription to order medicines from Treatmant.com?

For prescription medicines, yes — a valid prescription is required. However, many OTC (over-the-counter) medicines can be ordered without one.

4. How does the delivery process work?

Once verified, your order is securely packed and dispatched via trusted delivery partners. You can track your parcel in real time until it arrives at your doorstep.

5. Does Treatmant.com offer overnight or express delivery?

Yes. We provide both same-day and overnight delivery options in select areas to ensure you get your medicines as fast as possible.

6. How can I pay for my order?

We accept all major payment methods — credit/debit cards, UPI, net banking, and e-wallets. Every transaction is encrypted for total safety.

7. Is my personal and medical information safe?

Absolutely. We follow strict data protection policies to keep your information completely confidential and secure.

8. What should I do if I receive the wrong medicine or a damaged package?

Contact our support team within 24–48 hours for a replacement or refund. We prioritize safe, accurate, and customer-friendly service.

9. Can I track my medicine order?

Yes. Once dispatched, you'll receive a tracking link to monitor your order status in real time.

10. Does Treatmant.com offer online consultations or telehealth services?

Yes. You can connect with certified doctors and pharmacists for quick consultations, prescription renewals, and personalized health advice.
